Sec. 1. GRADUATION REQUIREMENTS

Credit counted toward high school graduation may be earned only if the student received a grade equivalent to 70 on a scale of 100, based upon the essential knowledge and skills of each course completed. Credit earned toward state graduation requirements in an accredited school district shall be transferable and must be accepted by any other school in the state.

Sec. 2. ACADEMIC ACHIEVEMENT RECORD

Midland Academy Charter shall use the academic achievement record (transcript) form designated by the Commissioner of Education ("Commissioner"). This form shall serve as the academic record for each student and shall be maintained permanently by Midland Academy Charter.

Any credit earned by a student must be recorded on the academic achievement record, regardless of when the credit was earned. A student's performance on a state assessment, including an end-of-course assessment instrument required under Education Code 39.023(c), must be included in the student's academic achievement record.

Copies of the academic achievement record shall be made available to students transferring to another public school. Midland Academy Charter shall respond promptly to all requests for student records from receiving schools.

Education Code 28.025(e); 19 TAC 74.5(b)-(d).
